

WORLD'S POULTRY SCIENCE ASSOCIATION

To the Branch Secretaries of the
World's Poultry Science Association

Beekbergen, 17 June 2011

Dear Secretary,

The Board of the World's Poultry Science Association (WPSA) hereby invites bids for the World's Poultry Congress of 2020.

1. Congress bids are open to all Branches. It has been the practice in the past to move the Congress around the World and to avoid having consecutive congresses in the same, or adjacent, continents. Branches should recognize this when preparing bids.
2. A Site Inspection Team consisting of the President, Secretary General and a Vice-President will evaluate bids for the 2020 Congress, and make recommendations to the WPSA Board.
3. The following schedule is proposed for bids on the 2020 Congress.
 - August 2011 – response deadline
 - November 2011 – initial evaluation by Site Inspection Team
 - December 2011 – submission of formal bids in writing
 - February/March 2012 – site inspections
 - April 2012 – final assessment
 - August 2012 – report and decision by WPSA Site Inspection Team and presentation of recommendations to Board and Council.

(Note that all bid preparations, and the costs of site inspections, are the financial responsibility of the host City or local Organizing Committee).

SECRETARY
