

## WORLD'S POULTRY SCIENCE ASSOCIATION

Branch Secretaries of the  
World's Poultry Science Association

Beekbergen, 21 June 2011

Dear Secretary,

The next presentation of members for the International Poultry Hall of Fame (IPHF) will take place at the next World's Poultry Science Congress in Salvador, Brazil in 2012.

To have enough time to prepare the election for the International Poultry Hall of Fame the nominations of individuals should start as soon as possible.

I enclose the guidelines for the nomination and election procedure and the instruction sheet for the 2012 Hall of Fame selection.

Your branch has less/more than 100 members and has the right to nominate 1/2 candidates for the International Poultry Hall of Fame.

If your Branch intends to nominate a candidate or candidates for the IPHF you should pay attention to the deadline for the nomination: December 31<sup>st</sup>, 2011.

Yours sincerely,

Dr Roel Mulder  
Secretary General WPSA
