Dear Secretary,

The next presentation of members for the International Poultry Hall of Fame (IPHF) will take place at the next World’s Poultry Science Congress in Paris, France in 2020.

To have enough time to prepare the election for the International Poultry Hall of Fame the nominations of individuals should start as soon as possible.

I enclose the guidelines for the nomination and election procedure and the instruction sheet for the 2020 Hall of Fame selection.

Your branch has less/more than 100 members and has the right to nominate 1/2 candidates for the International Poultry Hall of Fame.

If your Branch intends to nominate a candidate or candidates for the IPHF you should pay attention to the deadline for the nomination: December 31st, 2019.

Yours sincerely,

Dr Roel Mulder
Secretary General WPSA
